Objective:

I am a web developer with a passion for people, solving problems and a desire to learn. I have experience creating full-stack applications using JavaScript and am quick at learning new technologies. I am in search for a junior web development position where I can continue to improve my skills and grow with a community.

Education:

- **Eleven Fifty Academy, Web Development Immersive Learning Program, Indianapolis, IN, June – September 2021**
 - 12-week immersive learning program for Web Development taught with industry-guided curriculum, real-world project-based learning, and 500+ hours of logged coding time and training
- **Indiana Wesleyan University, Bachelor of Science in Computer Information Systems, Marion, IN, May 2021**

Competencies & Functional Skills:

Problem solving, adaptability, leadership, creativity, verbal communication, detail oriented, critical observation and thinking, organization, Agile methodology, collaboration, teamwork, addressing and resolving business challenges, confident

Technical Skills:

Languages: JavaScript, Node.JS, React, Heroku & Firebase deployment, TypeScript deployment

CI/CD: Agile, Scrum, Git, terminal

Databases: PostgreSQL, MongoDB

Web Technologies: HTML, CSS, APIs, stateless components, session validation, responsive web design

Technical Projects:

- **ElevenFifty Academy Static website:** <https://marshlendel.github.io/static-layout/>
 - Utilized vanilla HTML 5, CSS 3, and JavaScript to recreate a static version of the EFA website
- **GIPH Generator:** <https://api2-d43e0.web.app/>
 - Utilized Bootstrap, JavaScript and the GIPHY API to display a list of gipgs based on a search query
- **Fullstack Movie Watch List App:** <https://flick-list-client-mb.herokuapp.com/>
 - Utilized PostgreSQL Database, Express.js, React, and Node.js to create a full-stack CRUD app in which you can create an account, log-in, search for movies and then add them to a watch list.
- **Fullstack Chat App:** <https://hoosier-holler.herokuapp.com/>

Professional Experience:

- **Marketing Intern, Proof Digital, Indianapolis, IN, Jan 2021 – May 2021**
